

DISPOSAL OF FURNITURE OR EXCESSIVE ITEMS

Dear Tenant:

If large articles such as sofas, tables, mattresses, chairs, T.V.'s, etc., are left at the garbage bins, the tenant is responsible for the cost of removal by our garbage removal company.

These types of articles are not allowed in regular garbage pick ups and arrangements must be made with the garbage removal company to pick them up.

If excessive garbage is left by a tenant, and we require extra bin pick-up, the tenant will be charged the extra cost of garbage removal.

We advise our tenants to make their own arrangements to remove unwanted articles. You may call the city of Winnipeg, Garbage Removal Service at 986-5858 to make arrangements for pick-up.

If Quality Management Ltd. has to make the arrangement the cost of extra or special garbage pick-up is \$50.00. This amount will be invoice to the tenant.
